JETRO Bizmatch @ CEATEC Japan 2009

One of our institutional members, the Japan External Trade Organization (JETRO) of Houston, Texas, is organizing JETRO Bizmatch @ CEATEC Japan 2009. If your company is interested in participating, please contact Mr. Keith Sanders, Assistant Director of Business Development at: 713-654-5258 or keith_sanders@jetro.go.jp. JETRO is now recruiting companies to participate in the JETRO Bizmatch @ CEATEC Japan 2009.

CEATEC or "Combined Exhibition of Advanced Technologies" is Asia's largest annual technology and electronics exhibition, providing a platform for companies and organizations from all over the world to showcase their cutting-edge products, services and technologies. Participants in past Bizmatch events received nation-wide exposure, gained access to decision makers, and took part in prearranged one-on-one business meetings in Japan.

JETRO will provide the following:

- One-on-one, pre-arranged business meetings with potential Japanese business partners.
- English-Japanese interpreting service for meetings (based on availability)
- Short seminar on the Japanese IT market
- Free admission to CEATEC JAPAN 2009
- Publication & promotion (include listing in directory and website)

NOTE: JETRO will not be providing transportation, lodging or booth space for this event.
