January 2010 Monthly Networking Event and Gathering

Greetings Members and Colleagues,

The North Texas Global Telecommunications Society (NTGTS) will be holding its Monthly Networking Event and Gathering on Wednesday, January 27, 2010, at The Hyatt Regency North Dallas (formerly the Richardson Hotel) located at 701 East Campbell Road in Richardson, Texas. The event will take place in the 701 Bar & Grill area of the hotel beginning at 6:00 p.m. CST. Members of NTGTS/CTC are free, and \$5 for non-members. This is a great opportunity to start off the new year by connecting with a group of key industry players, and meet new clients and organizations at this networking event. There will be some door prize drawings and happy hour specials. Please register by Tuesday, January 26 to programs@ntgts.org in order to reserve your space. When responding, please provide your full name, company/affiliation, phone and e-mail. Non-members may register via the NTGTS/CTC website at: <http://www.ntgts.org/zenCart/index.php>. Cost for Non-Members is \$5.00 per person. For more information, contact Daniel Chalker, Director of Programs for North Texas, NTGTS, at dchalker@chalkerflores.com.

About NTGTS: NTGTS seeks to stimulate friendships, professional cooperation, and respect in order to effectively promote cross-cultural developments and commerce. A further goal of the organization is to provide members and organizations with the information, resources, and tools that better enable them to take advantage of the developments occurring in the international communications and technology arenas. NTGTS also fosters personal/professional development and the networking needs of its members by providing access to a global network of industry contacts and leaders. In addition, one of the NTGTS' key missions is to continue expanding and developing into other markets worldwide. For additional information about NTGTS, please visit www.ntgts.org.
